

Green Programs on Hot Topics - 2022

Presented by the Citizens Environmental Council

5th Annual CEC Student Film Festival

Tuesday, March 22 - 6:30-8:00pm - Burlingame High School auditorium

The Film Festival will feature amazing environmental videos created by students in grades 4 through 12 who live or attend school in San Mateo County. The final entries will be screened and winners will be announced at this event.

Family Fun on the Nature Trail

Sunday, May 15 - 11:00am - Bayfront Park

Make new friends who care about the environment, take in a gorgeous view of the bay, and get some fresh air and exercise. We will be picking up trash as we go (plogging) and also participate in an optional photo scavenger hunt together.

Conserving Water with Rain Barrels

Wednesday, July 6 - 7:00pm - Location TBA

Let's get prepared for summer and potential drought! We will discuss how to use rain barrels and other strategies to conserve water.

How Can I Be More Plastic-Free?

Tuesday, September 13 - 7:00pm - Location TBA

Did you know only 9% of plastic in the U.S. is recycled? There are many ways we can reduce the plastic we use in our everyday life. Expert Shirley Freriks will explain how to avoid single-use plastic and other ways to reduce plastic waste.

Your Roadmap to Electric Vehicles (EVs)

October Date TBA - 7:00pm - Location TBA

Buying an EV is one of the most impactful changes you can make to reduce greenhouse gas emissions. But how to make the switch? This seminar will discuss charging stations, rebates, and different EV models available.

Perks and Tips for Electrifying Your Home

Thursday, November 3 - 7:00pm - Location TBA

Learn why switching from gas to electricity is better for your health, your safety, and the planet with Diane Bailey and Tom Kabat of Menlo Spark. Assisted by the guides they helped write, the movement to electrify buildings is gaining traction nationally.
